

CARE OF THE OLDER PERSON FETAC MODULE D20180

If you are working with older people and would like to develop your knowledge and skills in this area, Joe Wolfe & Associates are running the above module in the Kilkenny/Carlow area in the coming months.

Please contact Julie on 056-7793793 for more information

FETAC Level 5 – Component Certificate – Care of the Older Person.

This programme will endeavour to equip you with the knowledge, and skills required to provide care for older people in a variety of settings

In order to achieve this qualification, you must successfully complete the following 4 units:

Unit 1 – Ageing Process

Unit 2 – Working with the Older Person

Unit 3 – Caring for the Older Person with Specific Needs

Unit 4 – Care Settings

The Care of the Older Person is an elective module for the National Vocational Certificate Level 5- Healthcare Support.

Course fee (payable in advance) is €520—this includes, refreshments, extensive handouts and all FETAC certification requirements
